

koristila sam google image reverse search

izbacilo je mnogo rezultata, pa sam sa u ai rezimu rekla da pretrazi twitter objave objavljene u maju 2020.

to sam uradila jer pre toga jedina stvar koju sam dobijala kao rezultat je bio clanak iz indijskih novina objavljen u maju 2020.-

<https://www.india.com/photos/news/cyclone-amphan-wreaks-havoc-in-west-bengal-before-and-after-photos-of-kolkata-177736/kolkatas-iconic-victoria-memorial-hours-before-cyclone-amphan-177747/>

pre nego sto sam uspesno dosla do rezultata pretrazila sam twitter sa nazivom slike i victoria memorial cyclone... takodje sam isprobala i yandex reverse search

na sajtu ciji je link iznad sam gledala i source (ctrl+u) ali kako je ovo bila 'ukradena' slika organlog autora istine o izvoru nije bilo
